AMENDMENT

Applicant hereby files an amendment to the above referenced patent application in order to file a preliminary amended set of claims and formal drawings. Applicant hereby withdraws the original set of claims, 1 - 45 and files a completely set of new claims numbered 46 - 105. The new set of claims is filed as a preliminary amendment prior to any office action. The entire new set of claims replaced the original set in their entirety.

Also, applicant herewith files a proposed set of formal drawing figures to replace the original in formal set and asks that the new formal drawings be accepted.

Last, applicant has included a fee transmittal sheet. The new preliminary amendment files a set of sixty (60) claims, including a total of five (5) independent claims. Accordingly, the applicant has tendered fee payment for 15 extra claims (in excess of the original 45 claims) and of the new set of 60 claims, there are now a total of five independent claims. Given that applicant claims "small entity" status, applicant has enclosed a total of \$221.00 relating to this amendment and new set of claims.
